INFORMATION UNDER ART. 13 OF D.LGS. 30/06/2003 NO. 196

WHAT ARE COOKIES?

Cookies are short text strings sent by our website to the browser that you're using to surf. In general the aim of cookies is to store and transport information.

WHY DO WE USE COOKIES?

We use cookies for different reasons and to improve your online experience, for instance: remembering your login, display preferences (e.g. language choice).

WHAT KIND OF COOKIES DO WE USE?

Technical cookies: These cookies are essential to browse our website, to use some of its features and for systems management (to prevent fraudulent activities and improve security). Without these cookies some on demand online services (e.g. reserved area access, language choice, etc.) are not provided.

Analytics cookies: These cookies are used to gather information about the website use on the part of users anonymously such as: visited pages, stay time, origin of traffic data, geographical origin. These cookies are sent by domains of third parties external to the website (Google Analytic)

HOW TO DISABLE COOKIES FROM BROWSER SETTINGS?

For technical cookies it is not required users' prior consent. Anyway, it is possible to disable them from your browser settings. You can discover how to do it at the following links:
